WRITING SAMPLE

“

這部份應用了Part 1所介紹之文體格式，以八大單元為題，撰成範文。同學閱讀本書時，除了可以掌握如何組織內容、學習相關生字外，還可了解新課程混合了八大單元和多種文體的出題方式。

關於篇幅長短方面，不論是Task 1的200字短文寫作，還是Task 2的400字長文寫作，每段的字數分佈都是大同小異：

Task1文章的起首段及結尾段：大約只各需15 – 20 字
Task 2文章的起首段及結尾段：大約各寫30 – 40字

唯同學不應在起首段及結尾段著墨太多；不少同學的起首段寫得太長，是因為他們在首段已經對自己的立場作出解釋，這其實已是作文之大忌！

另外，有些同學在寫內容段的時候，可能一段長一段短。其實這也暗示了同學的內容不足；同學只要記著：

Task 1 文章的內容段落：

每段有大約30 - 40字，大約有兩段 (實際段落數目也視乎個別題目的要求)

Task 2 文章的內容段落：

每段有大約60字，大約3段

在落筆寫作時怎樣才可以有這種長度？竅門也不外乎是引用例子 (examples)、列出因果關係 (causes and results)、舉出影響 (effects)、列舉事實 (facts)、比較與對照 (compare and contrast) 及引用反方例子及反駁 (counter arguments and refutation) 等六種技巧。

Module 1: Learning English through Sports Communication

1. Letters of Complaint - A Disappointing Fitness Club

One day, you read an advertisement for a newly opened fitness club, Burn Fat Gym, in a magazine. It was said to be the largest fitness centre in Hong Kong, and had first-class equipment and professional trainers. You were eager to slim down so you joined the club the next day. During your first visit, however, you found that the club was not spacious, the fitness facilities were poor, and the trainers were neither professional nor helpful.

Now write a letter of complaint to the editor of a local newspaper to air your grievances. Sign your name 'Chris Wong'. Do not write any address.

Dear Editor,

I am writing to complain about Burn Fat Gym. I joined the club because of its advertisement in a magazine, saying that it was the largest fitness centre in Hong Kong with first-class facilities and professional trainers. Last week, when I visited the club, however, I was extremely disappointed to find that it did not **live up to** its promises.

First, the club was not as **spacious** as I had expected. It was only about the size of half of a basketball court. To the best of my knowledge, its size is not even **comparable** to that of mid-scale fitness centres in Hong Kong. The lack of space resulted in serious overcrowding and I ended up wasting most of my time waiting in line for the exercise machines.

Another complaint concerns the fitness facilities. Instead of being first-class, they were **run-down** and inadequate. Some basic fitness facilities such as **treadmills** and rowing machines could not be found in the gym. There were only five cycling machines, which were all

小貼士:

每一個投訴要獨立一段，而每段都一定要有清晰的主旨句，加上原因和例子。

occupied at that time, a few **rusty** dumbbells and some **filthy** yoga mats scattered on the floor.

Equally disappointing were the 'professional' trainers. When I **consulted** one of the trainers about how to train my muscles with the dumbbells, he told me **bluntly** that I was overweight and lifting weights would not help. He then recommended a fitness programme which cost over \$10,000 to me. When I said I needed time to think about it, he shook his head in **contempt** and then turned away. I felt deeply humiliated.

Having no choice but to rely on myself, I picked up a dumbbell off the floor and tried to **imitate** those who were lifting weights around me. When I was doing triceps curls, suddenly, the dumbbell slipped out of my hands and landed heavily right on my back. I **howled** in pain but the trainers just **sneered** at me without lifting a finger to help me. Instead of burning off excess calories, I ended up having a nasty bruise on my back, not to mention the **humiliation** and frustration I suffered.

I hope the club would stop placing **misleading** advertisements and take immediate actions to improve the situation at the club before accidents happen.

Yours faithfully,

Chris Wong
